

Exam Prep DVD Now Available for \$69

A self-paced mortgage exam question and answer software application for aiding students as they study for their National Mortgage Loan Originator Exam mandated by the SAFE Act. Designed specifically for the national portion of the exams, CompuCram® was written by a team of experts all of whom are working professionals with up-to-date knowledge and experience in the industry.

Key Features

- More than 1000 questions on nationally mandated topics, written in the style of the mortgage exam
- Hundreds of highlighted glossary terms are available for quick reference within the questions & answers
- Study tips to help your students prepare for their mortgage lending exam
- All questions have rationales to help explain the concept behind the answer
- Timed exams help simulate the real exam by developing time management skills between questions
- All final exams are graded and categorized to help identify problem areas

Contents

This software is intended to supplement pre-licensing classes on nationally-mandated topics to help you pass the national portion of your exam and contains the following: Federal Mortgage Lending Legislation, Mortgage Loan Programs, Mortgage Loan Processes, Terminology, Lending Calculations
